

SHINGLEBACK

McLAREN VALE

NX GEN Rosé

NX GEN wines are for the next generation of wine drinkers. A range of vibrant, smooth and fruit driven wines, showcasing classic varietals and crafted for immediate enjoyment.

GRAPE VARIETY

Sangiovese

VINTAGE

2023

COLOUR

Pale, salmon pink

NOSE

Brimming with cranberry and pomegranate aromas.

PALATE

The palate exhibits fresh raspberries and sour cherries, while it leaves you with a crisp finish.

VINTAGE CONDITIONS

2023 summer was very cool with regular rain events, this cool weather continued into harvest allowing fruit to be picked at optimum ripeness and plenty of time for extra care in the winery. This allowed for a perfect, salmon pink colour and great fruit flavours for this rosé.

WINEMAKING

Sangiovese generally boasts elevated acidity and assertive tannins, flavours of cherries, herbs like sage and rosemary. An Italian grape variety well suited to the Mediterranean climate of the McLaren Vale region.

WINE ANALYSIS

Alc/Vol%: 12.5%
TA: 6.23
pH: 3.34
RS: Dry

FOOD MATCHING

Creamy pasta with prosciutto and asparagus.

Grilled salmon or tuna, served with either a fresh salad or roasted vegetables.
